

Addendum to the Memorandum of Understanding

concerning the sampling and analyses
of human skeletal remains from San Paolino, Borgo de'Greci and the Uffizi
Gallery

between

Max Planck Society for the Advancement of Science,
represented by the Managing Director
of the Max Planck-Institute for Evolutionary Anthropology,
Deutscher Platz 6, 04103 Leipzig, Germany,
Professor. Dr. Daniel Haun

(hereinafter called "MPI-EVA")

and

Soprintendenza Archeologia Belle Arti e Paesaggio
per la città metropolitana di Firenze
e per le province di Pistoia e Prato
represented by the Soprintendente in charge of the Florentine area
Dr. Andrea Pessina

(hereinafter called "SABAP-FI")

Preamble: The Department of Archaeogenetics has moved within the Max Planck Society for the Advancement of Science from the Max Planck-Institute for the Science of Human History (MPI-SHH) to the MPI-EVA with effect of 1st July 2021. Contracts and conventions of the Max Planck Society for the Advancement of Science with third parties remain in force. For clarification reasons the parties agree to the following addendum.

ART. 1

Extension

In the **Memorandum of Understanding** between the Max Planck Society for the Advancement of Science, represented by the Managing Director of the MPI-SHH, and SABAP-FI concerning the **sampling and analyses of human skeletal remains from San Paolino, Borgo de'Greci and the Uffizi Gallery**, signed February 19, 2020, the MPI-EVA takes the place of the MPI-SHH in all places where this is explicitly stated.

Art. 2

Miscellaneous

This addendum comes into effect with the signature of both parties. All other regulations of the above-mentioned Memorandum of Understanding remain unaffected.
